Bubbles

Inspired by soap bubbles, the classical possibilities within upholstery of furniture have been taken to a whole new level with Bubbles. A unique upholstery technique and construction design simply revive the traditional type of furniture. The three sizes of Bubbles, together with the multiple possibilities of fabric choices, makes Bubbles a central piece in the decoration of all types of public spaces. Everywhere Bubbles will be seen as a distinct, quirky and surprising element that stands out from the masses and simply brings optimism and joy into the interior design. Winner of the IF Design Award.

Designed by busk+hertzog

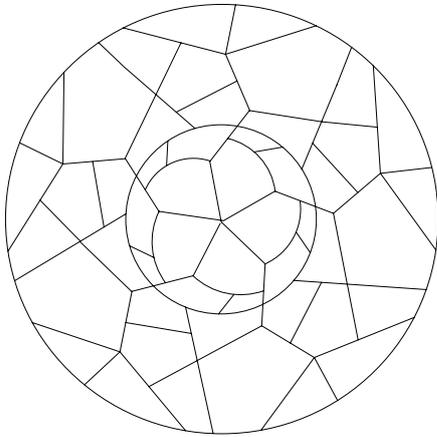

The Danish design duo was established in 2000 with a clear vision of being innovative and professional - but also with the aim of leading and inspiring a new generation of designers to further develop the Danish design legacy.
