For Now Chair

The For Now Chair injects a sense of domestic comfort and expression into the spaces of public activities. The warm and light expression responds to the increasing fusion between home and contract and contributes to the creation of spaces providing calm and contentment. Frame in solid soaped oak / solid black stained oak. Available in all textiles and leather qualities.

Designed by Chris L. Halstrøm

Chris L. Halstrøm set up her own studio in Copenhagen in 2007 after graduating The Royal Danish Academy of Art, School of Design. She always takes her starting point in a certain situation, rather than a certain product category. In this way she can create something that people will be able to relate to and it becomes a great tool in the design process.
