

# Harlequin Chair

**+Halle®**

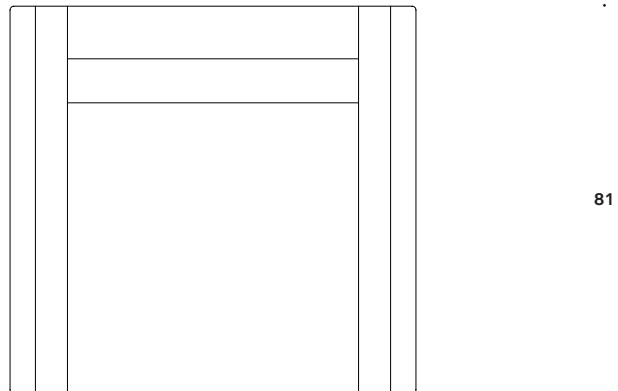

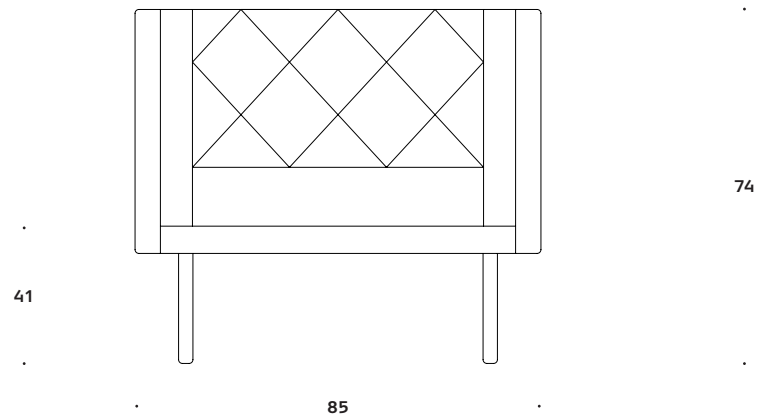

## Harlequin Chair

The quilting makes an obvious connection to the traditional Chesterfield. However, the light stainless steel feet and the straight lined edges make the Harlequin Chair very light and modern in its expression. The slim but double armrests combine the aesthetics of the two contradictions – abundance and minimalism. Part of the Harlequin family that also includes the Harlequin Bench and Sofas.

### Designed by busk+hertzog

The Danish design duo was established in 2000 with a clear vision of being innovative and professional - but also with the aim of leading and inspiring a new generation of designers to further develop the Danish design legacy.
