+Halle®

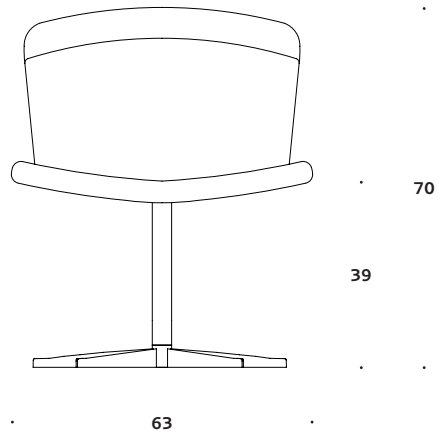

Land Lounge

The Land Lounge chair is a modern, simple and comfortable lounge chair. The upholstered shell is very comfortable even though there is only used a thin layer of foam, which makes the expression very tight and light. The narrow design makes Land Lounge perfect for lounge areas with minimal space.

Designed by busk+hertzog

The Danish design duo was established in 2000 with a clear vision of being innovative and professional - but also with the aim of leading and inspiring a new generation of designers to further develop the Danish design legacy. The duo is located in Lisbon.
