Vista

The Vista lounge table offers new decoration possibilities in public spaces. The fully upholstered base makes it a warmer and softer alternative to other coffee tables on the market. Moreover, the options in terms of upholstery and table tops offer an either matching or contrasting element to the surrounding furniture and space.

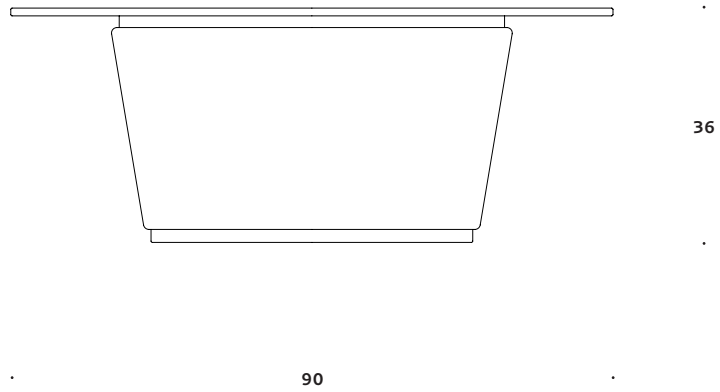

Designed by busk+hertzog

The Danish design duo was established in 2000 with a clear vision of being innovative and professional - but also with the aim of leading and inspiring a new generation of designers to further develop the Danish design legacy. The duo is located in Lisbon.
