Evoluzione

Design Metrica

Produktinformation

Evoluzione, i design av italienska Metrica, är en utvecklad arbetsplats. Förutom den i dagens läge självklara höj- & sänkbarheten erbjuder arbetsplatsen en förvaring som är låsbar med RFID-teknik. Inne i förvaringen finns en laddstation för både el- & USB-laddning. Bordsskärmarna finns i olika material och former.

Product information

Evoluzione, designed by Italian Metrica is an evolved workplace. In addition to the natural way of working with height adjustable desks, this workstation offers a storage with lockable RFID technology. Inside the storage is a charging device for both power and USB charging. The front screens come in various materials and shapes.

Teknisk information

Bordsskivor tillverkas i vit högtryckslaminat, björkfanér samt svart anti-fingerprint-laminat.. Skivtjocklek 23 mm. Den RFID-låsbara utdragsskivan är en smart funktion som ger en ren arbetsyta och extra förvaringsutrymme. Laddstation med två jordade eluttag samt två uttag för USB-laddning är standard. Runda ben \varnothing 70 mm med elektrisk höjning/sänkning, i vitt eller svart.

Technical information

The table tops are produced in white high pressure laminate, birch veneer and black anti-fingerprint-laminate. Table top thickness 23 mm.

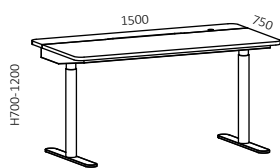

The sliding table top is locked with RFID technology and a smart feature that gives a clean impression of your workspace area and extra storage space. Charging station with two power outlets and two USB-sockets for charging is standard.

Round legs \varnothing 70 mm with electric height adjustment to give you alternate of sitting and standing. Choose between white or black.
